Focus on Fundamentals

Featuring instruction by:

Kenny Simpson

Southside High School Head Football Coach

Coach Simpson has 16 years of coaching experience, the past six at Southside High School where he has led the Southerners to their best seasons in school history. In 2017 Hootens selected him in the top three for 4A Coach of the Year. Before working at Southside, Simpson spent five years at Alabama Christian Academy in Montgomery, Alabama. While at ACA, Simpson led the team to winning seasons, allowing the team to host its first playoff game in 20 years. Simpson was also voted Montgomery Advertiser's All Metro Coach of the Year.

“Today’s game has changed a great deal. In the wave of change, fundamentals remain the constant. A player may possess tons of talent, but unless that talent is channeled into proper technique, it is wasted.

With this in mind, our camp will give your son three days of dedicated instruction in both offensive and defensive fundamentals and technique. Our goal is to give your child a jump start on the competition by focusing on what every player needs; the fundamentals of the game.” --Coach Kenny Simpson
